

DAUGHTERS OF THE KING

Ninth Annual Session Begins at Centenary Church.

WELCOMED BY GOVERNOR

Tasteful Addresses Made by the Executive and Others—The Programme for To-Day—A List of the Delegates Here.

The ninth annual convention of the King's Daughters and Sons was held at Centenary M. E. Church last night at 8:00 o'clock. Mrs. Clarence G. Burt, N. S. State secretary, presiding. Devotional services were conducted by Rev. W. W. Lear, pastor of Centenary. The hymn, "All Hail the Power of Jesus' Name," was sung. A contralto solo "Oh, God Be Merciful," was sung by Miss Lillian Taylor.

Mrs. Margaret Bottoms, National president; Miss Libby, member of the National Council, and Mrs. Isabella Charles Davis, National secretary, all of New York, were introduced to the convention and made short but beautiful talks to the daughters and friends along the line of their work.

After a solo by Miss Mamie Harrison, "I Will Extol Thee O Lord," Governor Montague was introduced in a charming and graceful manner by the State secretary. He welcomed the visiting daughters to the State and city and expressed the wish that they make their stay as much as from their own city as they knew the city would gain by their presence.

Miss Margaret Whiting very beautifully responded in behalf of the visiting daughters.

The hymn "In the Cross of Christ I Glorify" was sung and there was prayer by Rev. G. Otto Meide, of Christ Church. The doxology and benediction followed. The church was tastefully decorated in the colors of the Order—purple and white and with white chrysanthemums and ferns. There was large attendance.

The following programme has been arranged for to-day:

ORGANIZE NEW CLUB

Democrats of Richmond to Have Central Organization.

TO START HEARST BOOM

Effort Will Be Made to Capture Virginia Delegation for the New Yorker.

The Times-Dispatch Bureau, Washington, D. C., Oct. 27, 1903. A Virginia Democrat who has just returned from Richmond said to-day he was greatly interested in a movement now on foot there to organize a central Democratic club, which it is proposed should embrace all the wards of the city. He said the scheme of organization was already worked out by leaders of the party in Richmond. They assured him that the formation of such a club was no longer a matter of doubt.

It is proposed to make the organization the controlling power in city politics. It may or may not include the City Ward Active Club and the Old Dominion Club. These are now intended primarily for ward work. The new club is intended for work embracing the entire city.

"I was informed," said the gentleman to whom I have referred, "that the Democratic party in Richmond is making a movement of considerable strength in Richmond within the next year or two. One of the chief objects of the new club is to combat this by holding the Democrats in line."

It is reported here that friends of William R. Hearst will very soon inaugurate a movement in Richmond whose object will be the capture of the Virginia delegation for the New Yorker in the National convention. Details of the movement are not now obtainable.

It is believed here that at present Senator Gorman is the favorite of the Virginia Democrats. It is admitted, however, that Hearst's strength is increasing in all sections of the country. The enthusiastic reception given him in Atlanta last week startled the politicians. Just now everybody is in that frame of mind which would cause the mto receive the news of Hearst's nomination with equanimity. He is a young man, who has caused many surprises to his friends.

Friends of Hon. Joseph T. Lawrence, of Norfolk, are not disposed to credit the report that he will be a candidate for the Democratic nomination for Governor next year against Representative Harry L. Maynard. Mr. Lawrence, associated with Hon. John Jeffries in the practice of the law in Norfolk, has said he would not re-enter politics, at least for some years. His firm has an extensive practice, and it is shrewdly suspected that neither Mr. Lawrence nor Mr. Jeffries will undertake any more political battles until they are worth considerably more in a financial way than they are now.
